

Feels like success.

**Tech Summer trainee 2025**

# Free housing and a car with driver\* for summer

(\*car with a driver = bus card)

City of Rauma offers free student housing and a three-month card for city buses due to the employment contract for the summer. Job has to be related to student engineering studies in local Technology, Construction or Architect company.

The benefits can be granted to approximately 30 students and are valid in June, July and August 2025. Bus card can also be changed to a bicycle.

Student housing = voucher, which can be used to purchase a rental apartment for a period of three months from the free rental market in Rauma or from the rental apartments of the city of Rauma

## What to do:

You can apply, if you

- study Master of Science of mechanical engineering, production engineering, maritime technology, building technology, and architecture in Finland's universities of technology (Aalto University, Tampere University of Technology, Lappeenranta University of Technology, and Oulu University of Technology).
- and sign an employment contract with engineering, construction or architect company in Rauma.

### How to apply?

- The application period for the campaign is from 15 Jan – 9 March 2025
- Find a company in which you would like to work in the summer. The company may be found here, for example: <https://www.tippoint.fi/en/companies/rauman-kaupunki>
- Sign an employment contract
- Create a profile in Tippoint and find the Engineering Summer Trainee campaign under Open positions [www.tippoint.fi](http://www.tippoint.fi)
- You will apply for the position with your profile, so you should fill out the information as accurately as possible and attach your CV – create a new profile if you have applied for the campaign before
